From Clients

Without a doubt...

I've come to Moses Apsan to take care of a very sensitive immigration case for my wife 3 years ago and again last year for a Bankruptcy. After looking around for an attorney the first time around, one of my friends who had used his services previously recommended Moses Apsan and it turned out to be the best decision I made. I left the first consultation very informed about what my options were and exactly what needed to be done. The staff was very friendly, informative, and helped me get through each step of the case without causing me any burden. I would most definitely recommend Moses Apsan for any immigration and/or financial assistance.

He is a very compassionate and personable attorney who has taken the time to meet with family members, as well as, patiently and thoroughly explain legal processes and options. Just recently I needed guidance regarding a minor; he promptly returned my call and was able to provide me with required documents by day's end! Thank you Mr. Apsan!

Max Basch

Probably one of the best lawyers you will ever meet.

First I had a case with a friend who was in a divorce and she needed a lawyer to negotiate a separation of goods agreement, and Mr. Apsan came in with flying colors. My friend could not rave more about an attorney.

Than my cousin had an immigration visa issue and Mr Apsan solved all the problems in two weeks, and now my cousin is here happy and working ever since.

Than myself, I had an employment issue and I asked Mr. Apsan for help. Without charging me anything he did a research on the employment attorneys, selected the best ones and send me the list. I used one of them and I cannot be be happier. This is integrity, competence and compassion. The best ever.

Moses Apsan, Esq. first gave me legal advice in April 2000 - and continues to do so to this day. He is a unique type of advocate and adviser for his clients; one who will take the time to listen to you, and his duty of care and loyalty is paramount. Importantly, Mr. Apsan has decades of experience and success in his legal practice. He is extremely knowledgeable in many areas of the law, and can produce desirable outcomes for his clients. I highly recommend consulting with him for matters that are vital to you and your family - for you will be treated with respect, and gain not only an effective lawyer, but also an adviser that you can confidently trust and rely on for life.

Janet Arcediano
